

# How Would You Like Me to Personally Walk You Through the Exact Blueprint to Build A 5-Figure Monthly Coaching Business...Absolutely for *Free*?

**From Sales Mentor:** Angela Artemis  
Township of Washington, New Jersey

Dear Friend,  
Let's talk about RESULTS for a second:  
Every day, my Wealthy Coach Blueprint clients rave about their breakthroughs and wins...

- \*Raising their prices and finally KNOWING they're worth it...
- \*Their first \$2000, or \$5,400, and \$6500 sale...
- \*Feeling like the trusted authority and being confident during sales conversations where they sign new clients into their programs....
- \*Growing their coaching practices and income with new high-end clients...
- \*Adding 1...2...even 3+ new high-end clients in one week...

In fact, if the testimonials and what's been posted on Facebook is any clue...

**In the past 12 months, clients in the Wealthy Coach Blueprint program who were previously nervous and unsure of what to say in sales conversations have grown to 5+ figure monthly income businesses simply by implementing the steps in the WCB program.**

The only question you need to ask yourself is, "**Do I want to hit my income goals this year?**"

If the answer is YES, then I'd love to share with you how we're getting these

kinds of results, and I'd like to share it with you for FREE.

Here's how it works...

## **Right Now, You're Probably Stuck on One of These 3 Things...**

**You want to get more high-end clients** and you want to feel confident and authentic enrolling them. You also want the RIGHT people, who are thrilled to work with you, and who see you as the "premium choice" of your industry...

OR...

**You want your programs and private coaching services to command a premium price point.** You want to make sales for \$2,000, \$5,000, or MORE...and you want it to happen consistently, so it's 100% dependable and predictable...

OR...

**You're working too hard chasing clients** and you want to simplify things so you can unplug, relax, and have an effortless enrollment conversation that does the selling FOR you so that you can spend more time with your loved ones WHILE you get excellent results for your clients and customers.

Which of those sounds more like you?

The good news is that whichever it is, I can show you a plan that will help you make it a reality.....and I'll do it for FREE.

Consider this:

These are the kinds of results WCB clients get. If it can be done for them, why can't it be done for you?

## **Here's How to Get MY Help for FREE...**

I've set aside some time to speak to you over the next few days.

We'll get on the phone for about 45 minutes. On that call, I'll lay out a plan to help you do ANY or ALL of the 3 things we mentioned above.

This plan is going to enable you to **hit your income goals this year...and blow right past them.....while working LESS than you are right now.**

It's a big promise...

But after the results my clients are getting, I feel very comfortable making it.

The plan we craft together will be SIMPLE, CLEAR, and light years ahead of anything you've heard from anyone else.

**Wealthy Coach Blueprint works because it's a complete system. And I know that if we work together, and you stay coachable, decisive, and resourceful, there is NO limit to what you can achieve in your business.**

This invitation is going out to over 1,000 people right now, so as you can imagine, it's going to create a HUGE response.

That's why I need you to read this next part carefully:

**This is NOT for Everybody.**

**Here's Who I Can Help:**

I'm VERY picky about who I'll speak with, and I have a strict (but reasonable) set of criteria that needs to be met in order for us to proceed:

**1. You need to be able to provide REAL value for your clients and customers, so that your offer can potentially support a premium price.**

This offer is for people who have genuine knowledge or expertise that helps people solve the BIG problems of life or business. If you can do that, and you want more clients and sales at higher prices, while working *less*...let's talk.

But, if you're selling low ticket products or a multi-level marketing product and trying to recruit people into your 'downline' - no offense, but this is not for you.

**2. You MUST be an action taker who follows directions. That means you're coachable, decisive, and resourceful. (Don't worry - I won't ask you to do anything weird.)**

If you like to "kick tires," think about it for weeks or sign up for things and not follow through, this is NOT for you. Maintaining a consistently high client success rate is VERY important to me. I never push people to do anything....it's their choice if they want to keep "watching and waiting"

while time passes and they're no better off in their business than they were a year ago. **Please be someone who doesn't mess around, and is serious about getting results right now – real fast.**

That's it - if you meet BOTH of those requirements, we're good.

## **Here's What I Want You to Do Next:**

If you meet the criteria above, and you'd like to talk about getting some incredible results for your business, then I'll happily set aside some time for you.

Here's what to do next:

Head over to

and get the process started. Put your name and email in and I'll shoot you a link to my calendar. Take whatever appointment time works for you.

Then fill out my quick application form. It's very short and quick. I just need to know what you're selling, who your target market is, and what you want to accomplish.

That's it!

The initial call will go 45-60 minutes, and it will be the BEST time you have ever spent working on your business.

## **WARNING - TIME IS A FACTOR!**

This invitation is going out to 1,000+ people today, and there is only so much time available in the schedule.

It's physically impossible for me to work with more than a handful of people, so it is FIRST COME, FIRST SERVED.
